

The IASA supports scholarship programs for administrators through the School Administrators Foundation for Education, a charitable corporation. The seven SAFE Trustees, who are members of the IASA Governing Board, each serve a three-year term. The SAFE Trustees are responsible for conducting the annual fund-raising activities and awarding scholarships.

James V. And Dorothy B. Moon Scholarship

The Moon Scholarship, established in memory of Dr. James V. Moon, is committed to improving education and the qualifications of school administrators and provides scholarship-based grants to assist individuals in the pursuit of graduate study leading to improved competency in the superintendency. To date, more than \$335,323 in scholarships have been provided. The following recipients of the scholarship are identified by the year of the award:
